Character Profiles

Scally

The Overlooked Leader

Scally is the wise and responsible leader of the group. He always tries to guide his friends, but his advice is often ignored, leading to comical disasters. Though he makes mistakes himself, his determination to keep things in order never fades.

Raddy

The Energetic Trickster

Small, fast, and full of energy, Raddy speaks and moves at lightning speed. His endless curiosity and signature “Huh?” makes him both hilarious and unpredictable. His habit of jumping at the wrong moments often leads to unexpected chaos.

Eggy

The Absent-Minded Philosopher

Tall, thick, and often clueless, Eggy struggles with simple things but occasionally offers deep, philosophical insights that surprise everyone. His height can lead to awkward situations, but his open heart and acceptance of others make him lovable.

Brocelina

The Fashion-Obsessed Showoff

Brocelina is charming, stylish, and entirely in love with himself. He treats every moment like a fashion show, striking poses and using exaggerated French phrases. His overconfidence makes him hilarious, especially when no one takes him seriously.

Tato

The Old-Fashioned Mentor

Tato is the wise but old-fashioned elder. His advice, though sometimes helpful, often feels outdated. His tiny sprouting "glands," which he treats like grandsons, create hilarious moments as they cause playful chaos around him.

Cryan

The Mysterious Trickster

Cryan is unpredictable - sometimes helpful, sometimes causing trouble. His ability to make others cry adds to his mystery, and his motives are never entirely clear. He keeps everyone on edge, ensuring suspense and mischief in every episode.
